

## Definizione di un'idea.

Il valore autentico di un mobile nasce dall'attenzione che si pone alle piccole cose che lo compongono, rendendolo unico nella forma e nel tempo.

In questa Vision, l'azienda RF Group srl, identifica la sua immagine nel settore del mobile imbottito, proponendo un'ampia scelta di accessori e componenti, studiati e valutati per rispondere alle esigenze dell'Industrial design Made in Italy. La competenza nella lavorazione dei dettagli e nella scelta dei materiali, attribuiscono stile ed eleganza nella realizzazione dei prodotti, spesso personalizzati, seguendo le indicazioni del cliente.

Un gruppo di professionisti segue tutte le fasi di sviluppo, dalla progettazione alla produzione, avendo come obiettivo la concreta definizione di un'idea, dando forma al pensiero desiderato. Creazioni che modellano ed esaltano la lucentezza metallica, propria della lega utilizzata, caratterizzate dalle linee geometriche e pulite, tipiche di un arredamento moderno e contemporaneo.

L'azienda garantisce un servizio costante di assistenza, distribuzione e approvvigionamento dei prodotti, nel mercato nazionale ed internazionale.

## Realizing An Idea.

Authentic value of a furniture is given by the attention for little particulars that you make it up, so it believes unique in shape and time.

According to this Vision, RF Group srl Company, introduces it-self in the upholstery field, suggesting a huge choice of components and accessories, researched and examined to satisfy the needs of the "Made in Italy" Industrial design. Good skill in the production of details and choice of materials, grants style and elegance to the items realization, usually personalized, following the customer's requirements.

A professional team carries on the whole project development, from design to creation, following as aim that one REALIZING AN IDEA, giving a shape to Your wishes. Creations that sculpt and exalt the metal shine, feature of the employed alloy, characterized by the geometric and neat lines, as required in a modern and contemporary furniture. The Company grants a stable service of products assistance, distribution and supply, in national and international market.
